

TO ALL OWNERS – STRATA PLAN 55068

“40 MACLEAY”

POTTS POINT

Dear All,

Further to my letter of 23 April I am pleased to advise that the lift renovations are now complete.

It is essential however that damage to the lift be prevented. There are now lift curtains for use when transporting bulky items in the lift.

Please advise both of the individuals below - at least 24 hours prior - so lift curtains can be put in place:

Mario Iribarren miribarr@bigpond.net.au 0404 629 436
Larry Aylward larryaylward@yahoo.com 0403 857 514

The intention is to put in place a by-law to formalise procedures for moving articles of a certain type & size in/out of the building. This will be discussed at the September AGM.

Thank you for your support & patience during the lift renovations.

Regards,

Greg Aitkenhead

EC Chairman
